

Lower Your Golf Handicap: Under 10 in 10 Weeks

A golf classic, now available in a smaller version. In just ten weeks, you can gain better control of your woods and irons, more consistently sink those clutch putts, and significantly lower your golf handicap. This fully customizable program begins with a series of self-assessment tests that will determine your strengths and recognize your weaknesses, and allow you to set realistic goals and monitor progress towards your objectives. You'll be able to personally tailor practice sessions to help straighten your tee shot, improve bunker play, groove muscle memory, and eliminate round-crushing mistakes. From preshot routines to reading greens, advanced pitching and chipping techniques to principles of course management, this practical advice will cut strokes and help you play to your strengths.
