

Lumberjanes 4: Out of Time

The mystery of history! Jen just wants to have a normal lesson with her cabin, teaching Jo, April, Mal, Molly, and Ripley the basic survival skills needed without any supernatural intervention when a blizzard hits camp! Separated from her girls, Jen finds herself in more trouble than ever...until a mysterious stranger swoops in to save the day. Who is this taxidermist? What is her relationship to Rosie? Join Jen as she finds a way back to her girls, and a way to save the day! This New York Times Bestseller and Eisner Award-Nominated series is written by the amazingly talented Noelle Stevenson (Nimona, ADVENTURE TIME), and LUMBERJANES co-creator Shannon Watters, and illustrated by the insanely talented Brooke Allen (A Home For Mr. Easter).
