

Mail Order Bride - A Bride for Mackenzie: Sun River Brides, Book 2

Annie Cahill has had a tough life, forced to leave home and work from an early age to support her sick mama and younger siblings. Always the one everybody else could rely on, she decides to finally reach out to take something for herself. But will she find the courage to see it through? Mackenzie Stott spends his life surrounded by cattle, and loves the peace and solitude his life in Montana offers. But he has a past and isn't sure he will ever find anyone who can see past it. Can he finally find the peace inside himself and open up to love?
