

Mama Black Widow

Tout le monde, a l'exception de Papa, était fou d'excitation à l'idée de connaître le monde enchanté du Nord. Dans ce monde de Blancs haineux, un noir vaut moins que rien. Otis, débarqué de son Mississippi natal dans un ghetto de Chicago, se débat entre une mère prête à tout pour quelques dollars, un prédicateur pédophile et des macs toxiques. Et Otis n'est pas seulement noir et pauvre, il est tiraillé entre son cœur qui le porte vers les jolies filles et sa chair qui réclame de beaux mâles. Avec ce roman douloureux et beau, on peut dire qu'Iceberg Slim s'est amplement racheté dans l'écriture. - L'Express
