

Rose Cottage: A Novel

At the request of her beloved grandmother, war widow Kate Herrick returns to the idyllic English countryside and the tiny thatched dwelling of her childhood, Rose Cottage, where she must retrieve some valuable papers hidden in a secret safe. Yet Kate is intrigued to discover the mysterious documents have been stolen. While eccentric villagers buzz with sightings of strange lights and ghostly apparitions around Rose Cottage, Kate uncovers a web of family resentment, jealousy, and revenge as tangled as the rambling vines in its garden. The twisted trail leads to a stunning revelation that opens the door to her own shrouded past--and an unexpected chance at love. . . .
