ONLY 3.99\$ (SAVE 71% - AMAZING PRICE instead of 13.94\$ if purchased separately) The complete Broken Wheel Wolves Series in one box set. *** Book One: Wolf Problem Life in the small town of Broken Wheel, Wyoming tends to be a little predictable until Sheriff's Deputy Jade Lundgren is assigned to deal with the wolf problem. Now that wolves have been taken off the endangered species list, people are divided as to whether the wolves should be protected, destroyed, or simply left alone. Tasked with controlling the escalating tensions, Jade finds herself trying to make sense of seemingly unrelated crimes, while juggling her feelings for local rancher, Harlan Winters, and the mysterious, Irish wildlife biologist, Conall O'Faolan. Book Two: Vanishing in Plain Sight The wolf problem is spiraling out of control, and now Deputy Jade Lundgren has more than her confused feelings for handsome Harlan Winters and smoldering Conall O'Faolan to contend with. When violence comes to the small town of Broken Wheel, suspicion seems to fall in every direction. One thing is clear to Jade, though, as her investigation keeps hitting dead ends: it's not only the local wolf pack whose lives may be at stake. Book Three: Luck of the Irish With the rest of the Sheriff's Department out of town for various reasons, Deputy Jade Lundgren is all on her own as she continues investigating the wolf problem, and now the bombing of the Winters ranch. Things get muddled as no one around Jade is who they appear to be and that includes the two men she's attracted to: handsome Harlan Winters, and the mysteriously compelling Conall O'Faolan. What should have been an ordinary Friday night in Broken Wheel quickly turns into a race against time to save her best friend's life. Book Four: Cry Wolf In Cry Wolf, the wolf problem in Broken Wheel, Wyoming takes a very personal turn for Sheriff's Deputy, Jade Lundgren. When beloved

local rancher Duke Minton turns up dead from an apparent wolf attack, Jade desperately wants to find the real killer in order to protect Conall OFaolan. Not only is Conall being blamed for the increase in wolves in the area, Jade realizes that she cant ignore the profound connection she feels to the sexy Irishman, or the fact hes trusted her to keep his true nature a secret. To make difficult matters more confusing, handsome bomb tech Boomer Harkness makes his romantic interest in Jade known, and the beautiful Irish shapeshifter Aoife has her own plans for Conall. Book Five: Lost and Not Found Sheriffs Deputy Jade Lundgren has more than a murder on her hands when she learns that a shapeshifter war is brewing in Broken Wheel, Wyoming. While trying to do normal things like go on a date with handsome Boomer Harkness or pick out dresses for her best friend Nicolettes wedding, Jade is confronted with the fact that not only are some of her neighbors actually wolves, some of them are very, very, bad wolves. Kidnapping and potential mayhem means she has to set aside her own feelings for sexy Conall OFaolan in order to help him defeat this hidden danger. Book Six: Means, Motive and Opportunity With every passing day, Sheriffs Deputy Jade Lundgren seems to uncover more unsavory business going on behind the scenes in Broken Wheel, Wyoming. Duke Mintons own family is implicated in his murder, while the evil chieftain of the Carey clan kidnaps women in his plot to overthrow Conall OFaolan. As Jade races to save the woman standing in the way of her having a relationship with Conall, she also has to confront her longing to simply be a normal person again. *** Genre: Werewolf Romance / Paranormal Romance, length: 48,550 words. ***
