

## A Japanese Miscellany (Classic Reprint)

Excerpt from A Japanese Miscellany I shall return in the early autumn, said Akana Soyemon several hundred years ago, - when bidding good-bye to his brother by adoption, young Hasebe Samon. The time was spring; and the place was the village of Kato in the province of Harima. Akana was an Izumo samurai; and he wanted to visit his birthplace. Hasebe said: -Your Izumo, - the Country of the Eight-Cloud Rising, - is very distant. Perhaps it will therefore be difficult for you to promise to return here upon any particular day. But, if we were to know the exact day, we should feel happier. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
