

## Missing Link (The Destroyer Book 39)

Bobby-Jack Billings is a beer-guzzling, gut-bulging slipshod. Hes a drunk, a racist, and a buffoon. Hes also the Presidents brother-in-law. And hes missing. Having him out of the headlines is a welcome relief, but could it be too welcome? Are the Libyans behind it? The Israel lobby? Was it an inside job? Chiun and Remo are on the case, but teasing apart the twisted strands of international intrigue may demand more subtlety than the Destroyer commands. Particularly when signs suggest the involvement of the Commander-in-Chief. Remo Williams is The Destroyer, a seemingly unremarkable beat cop recruited through highly unorthodox methods by a secret government law-enforcement organization. Trained to become the most deadly assassin, Remo is Americas last line of defense against mad scientists, organized crime, ancient undead gods, and anything else that threatens the Constitution. An action-adventure series leavened with social and political satire, the Destroyer novels have been thrilling readers worldwide for decades.
