

Moving Days (Boys of Summer: Girls Aglow) (Volume 7)

Tiffany Langstrom has messed everything up. She finished freshman year of college hopelessly in debt, and her family plans to punish her without mercy, so she runs to stay with her high school friend Holly MacGuire. Holly is glad to help out, but Tiffany doesn't want pity or even help. She wants the chance to find a job and a place to stay and prove she's not the dumb blonde everyone knew in high school. Along the way she meets Henry, a guy filled with charm and energy who is so much smarter than her it's scary. However, when she has a chance to help him, she finds out he might be as vulnerable and messy as she is, and that brings them together. Her family, though, wants to see her fail, and she might have to decide between honoring them and keeping all she's worked for. Determining what God wants her to do will take a lot more brain than Tiffany thinks she possesses, and she may need some help from her new friends. Book seven of the Girls Aglow series, Christian romance/drama for teens and the young at heart.
