

MUNICH AND THE THIRD REICH - A Self-guided Pictorial Walking Tour (Visual Travel Tours Book 235)

Munich And The Third Reich

MUNICH AND THE THIRD REICH - Munich was the birthplace of the Nazi Party and described as the Cradle of the Nazi Beast. This tour tells us why. Behind the charming facade, the city has been witness to some of the darkest moments in history. Join the tour and walk through some of the defining moments of the Third Reich and Adolf Hitler's rise to power. Listen to stories of German Resistance and see where Hitler made his first speech, where the Nazi Party was formed, where Hitler tried to shoot his way to power, and where the ideological heart of the Nazi Party was located. AUTHOR - Siddharthanni Lobo is an award-winning writer who has studied, lived and worked across four countries in Asia and Europe. She currently resides in Munich, and has authored a number of articles and stories on travel and expatriation.
