

My Amazing Body (A First Look At... Series)

Optimized for use on the Kindle, many aspects of health and physical fitness are explained in a way that younger children can readily understand. This lively picture book explores the importance of a good diet and plenty of exercise, and encourages kids to make positive decisions about caring for themselves. Kids discover that even healthy people get ill sometimes, but that our bodies have special abilities to protect us and restore our health. Titles in this series for younger children explore emotional issues that boys and girls encounter as part of the growing-up process. Books are focused to appeal to kids of preschool through early school age. Written by psychotherapist and counselor Pat Thomas, A First Look At books promote positive interaction among children, parents, and teachers, and encourage kids to ask questions and confront social and emotional questions that sometimes present problems. Books feature appealing full-color illustrations on every page plus a page of advice to parents and teachers.
