

## Warrior Lord (Drift Lords Book 3)

Pottery sculptor Erika Sherwood has no idea her televised wedding in Las Vegas is for real until an official confirms she and the stranger she's just met are legitimately wed. A Drift Lord and warrior of the Tsuran, Magnor tricks the redhead into marriage because she's one of six women prophesied to save Earth. But as he's forced into her company in their race against the apocalypse, he wonders if he risks his heart more than his life. Can a free-spirited ceramic artist and a fierce swordsman trust each other enough to prevent disaster?
