

Neige (Folio) (French Edition)

Le jeune poète turc Ka de son vrai nom Kerim Alakusoglu quitte son exil allemand pour se rendre à Kars, une petite ville provinciale endormie d'Anatolie. Pour le compte d'un journal d'Istanbul, il part enquêter sur plusieurs cas de suicide de jeunes femmes portant le foulard. Mais Ka désire aussi retrouver la belle Ipek, ancienne camarade de faculté fraîchement divorcée de Muhtar, un islamiste candidat à la mairie de Kars. À peine arrive dans la ville de Kars, en pleine effervescence en raison de l'approche des élections à haut risque, il est l'objet de diverses sollicitudes et se trouve piégé par son envie de plaire à tout le monde : le chef de la police locale, la sœur d'Ipek, adepte du foulard, islamiste radical Lazuli vivant dans la clandestinité, ou l'acteur républicain Sunay, tous essaient de gagner la sympathie du poète et de le rallier à leur cause. Mais Ka avance, comme dans un rêve, voyant tout à travers le filtre de son inspiration poétique retrouvée, stimulée par sa passion grandissante pour Ipek, et le voile de neige qui couvre la ville. Jusqu'au soir où la représentation d'une pièce de théâtre kemaliste dirigée contre les extrémistes islamistes se transforme en putsch militaire et tourne au carnage. Neige est un extraordinaire roman à suspense qui, tout en jouant habilement avec des sujets d'ordre politique très contemporains comme l'identité de la société turque et la nature du fanatisme religieux, surprend par ce ton poétique et nostalgique qui, telle la neige, nimbe chaque page.
