

Mesmerizing Stranger (New Man in Town)

Harm Connolly wants to leave his bad history with women on terra firma. Two weeks of business on a cruise would help accomplish that. First complication: the sexiest woman he's ever met is on board the vessel. Second complication: a dead body one of his associates. Adventure chef Cate Campbell knows her type arrogant corporate hotshot, taking his guys out for some R & R. No problem. She'll have Harm eating out of her hand in seconds flat. No problem until a killer on the loose forces her to find safety and comfort in his arms. Will mayhem at sea throw any chance of romance overboard?
