

## The Book of Undoing: Direct Pointing to Nondual Awareness

The Book of Undoing encourages immediate recognition of our shared true nature. It is an experiential journey, wherein the reader follows a mock clients Direct Pointing session with the author. These sessions have helped people around the world come to Nondual realization. Its suggested that the reader actively participate in the question and answer sessions which form the bulk of the book. Fred extends the invitation for you to awaken right here, right now. Its Here or nowhere. Its Now or never.
