

The End of Forever

In this newly packaged omnibus trade paper edition, Lurlene McDaniel explores the complexities of not only accepting unexpected loss, but also of moving on to live and love again. This omnibus includes: *Somewhere Between Life and Death* depicts the life of two typical teenage sisters. When their existence is shattered due to a tragic car accident, courage and strength are needed to make the difficult choices presented as a result. *Time to Let Go* chronicles the aftermath of a painful loss and how each of those left behind struggle to deal with their grief, in order to move forward.
