

Noche de alacranes (eBook-ePub): 255 (Gran angular) (Spanish Edition)

Un profesor de instituto invita a Catalina Melgosa, testigo directo de la posguerra española, a dar una charla a sus alumnos. El contacto con los jóvenes y el hecho de que recuerde un episodio de su pasado, hace que Catalina rememore, durante una larga noche, su amor adolescente por Emilio, al que ayudó cuando este fue secuestrado por los maquis. Una novela que reflexiona sobre el destino que se asigna a cada persona.
