

# 60???????? (Be Financial Master in 60 Days) (Chinese Edition)

????????????????????,????????????????????  
 ??????????,?????????,????????????????????  
 ??,????????????????,????????,????????????????  
 ??????,?????????????????????????????The book  
 makes detailed introduction for all financial tools, some of which are ready for you to use. Interspersed with a large amount of real and vivid cases, the book is if great reference value. At the same time, the book also avoids financial terms in general financial books that are hard to understand, instead, you will read in most close-to-life wording and the ideas that meet financial needs of all ages. It can be said as a specifically wealth management guide for those managing finance.
