

Silver Burdett Music: Teachers Book Bk. 3

Silver Burdett Music is a programme which has been designed to meet the changing needs of teachers and children, and to meet the requirements of the National Curriculum at Key Stages 1-3. The set of resources includes teachers editions, pupils books, cassettes, a scope and sequence chart, and teachers resource books. Ideas, resources and suggestions for lesson plans are provided for all teachers regardless of their own music experience or training. It is not necessary for the teacher using the programme to be able to read music or play accompaniments, since these are provided on the cassettes. Each teachers edition contains basic lesson plans, extension suggestions, cross-curricular links, reproductions from the corresponding pupils book, and background information. This volume is the third of the teachers editions, and it covers Key Stage 2, years 5-6.
