

One Moment Past Midnight

MEN IN BLUE EVERY SECOND COUNTS Hannah Blackstones little girl had been kidnapped, but no one was willing to help her. No one except Quinn McDermott. Hannah hardly knew more than his name, but all that mattered was that her mysterious new neighbor had taken her in, when most others would have turned her in. Life had taught Hannah not to trust, but Quinn, with his quiet concern and unrelenting resolve, made it all too easy to try. Every second with him brought Hannah closer to finding her little girl and losing her heart to the sexy stranger by her side. Love in the line of duty.
