

## History of the Rebellions in Scotland, Under the Marquis of Montrose, and Others, from 1638 Till 1660, Vol. 1 (Classic Reprint)

It may be necessary, in presenting this work to the public, to preface it with a few sentences explanatory of its object, of the nature of its materials, and of the principles upon which it has been composed. With regard to the first of these matters, the author may state, that, as in the similar case of his History of the Rebellion in 1745, he has here endeavoured rather to present a view or portraiture of the external circumstances of the period embraced, by which he might hope to interest the imaginations of ordinary readers, than to produce a History of the legitimate description, which should appeal only to the moral faculties of the select few. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
