

## Dragon Wytch (Sisters of the Moon)

Were the DArtigo sisters: savvy-and sexy-operatives for the Otherworld Intelligence Agency. But being half-human, half-Faerie short-circuits our talents at all the wrong times. My sister Delilah shapeshifts into a tabby cat whenever shes stressed. Menollys a vampire whos still trying to get the hang of being undead. And me? Im Camille-a wicked-good witch, trying to juggle faulty magic, gorgeous men, and the demonic war in which were embroiled. Sometimes its hard to know who we can trust... The equinox is coming, and mayhem rules. A crown-prince unicorn offers us a legendary gift, but it vanishes. Goblins and trolls swarm the streets of Seattle. And now Smoky, the sexiest dragon alive, decides to stake his claim-on me. Overshadowing it all, the third spirit seal surfaces, and Shadow Wing is after it. But Ive discovered a secret that could change everything. A dangerous force from the past is rising again, intent on restoring balance to the worlds-whether we like it or not.
