

Echoes at Dawn (A KGI Novel)

Grace Peterson is desperate, in hiding, and on the run after escaping a shadowy group determined to exploit her extraordinary ability to heal others. Her only lifeline--an unerring telepathic ability she shares with her sister--has been severed, leaving her alone and vulnerable. And time is fast running out... Enlisted to bring Grace home is Rio, relentless member of the KGI. Hes unprepared for his reaction to this wounded, damaged woman, and hes fiercely determined to protect her from those who nearly destroyed her. In Rio, she finds a safe haven, and for the first time...hope. But the mission is far from over. The danger Grace has eluded is fast closing in. And now its pitching two lovers toward an unfamiliar horizon, with no place left to hide.
