

College Algebra: An Early Functions Approach, Books a la Carte Edition Plus NEW MyMathLab with Pearson eText -- Access Card Package (3rd Edition)

Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book. Bob Blitzer has inspired thousands of students with his engaging approach to mathematics, making this beloved series the #1 in the market. Blitzer draws on his unique background in mathematics and behavioral science to present the full scope of mathematics with vivid applications in real-life situations. Students stay engaged because Blitzer often uses pop-culture and up-to-date references to connect math to students lives, showing that their world is profoundly mathematical.
