

Pedro and Me: Friendship, Loss, and What I Learned

Pedro Zamora changed lives. When the HIV-positive AIDS educator appeared on MTV's *The Real World: San Francisco*, he taught millions of viewers about being gay and living with AIDS. Pedro's roommate on the show was Judd Winick, who created *Pedro and Me* to honor Pedro Zamora, his friend and teacher and an unforgettable human being. First published in 2000, *Pedro and Me* was a graphic novel pioneer. Its moving portrait of friendship and its urgent message have already reached thousands of people. Now, Pedro's story is reintroduced to today's graphically focused culture with a gorgeous, eye-catching new cover and a foreword from Judd.
