

Mini Modern Classics Babylon Revisited

But it hadn't been given for nothing. It had been given, even the most wildly squandered sum, as an offering to destiny that he might not remember the things most worth remembering, the things that he would now always remember. F. Scott Fitzgerald's stories defined the 1920s Jazz Age generation, with their glittering dreams and tarnished hopes. In these three tales of a fragile recovery, a cut-glass bowl and a life lost, Fitzgerald portrays, in exquisite prose and with deep human sympathy, the idealism of youth and the ravages of success. This book includes *Babylon Revisited*, *The Cut-Glass Bowl* and *The Lost Decade*.
