

Photographs from the Edge: A Master Photographers Insights on Capturing an Extraordinary World

Legendary nature photographer Art Wolfe presents an intimate behind-the-scenes, chronological guide to the experiences, decisions, and methods that helped him capture images from some of the most exciting locations across the globe. Wolfe takes you from the mountains of the Himalayas to the sandy shores of Mnemba Island, with stops in the crowded streets of India and the alkali lakes of Africa along the way. You'll learn the equipment, settings, and creative choices behind each photograph. From endangered species to cultural celebrations to natural wonders, Wolfe brings each subject to life through his stunning photography and the stories he shares in this one-of-a-kind photo safari. From the Hardcover edition.
