

## Friend or Foe

Friend or Foe is a gripping World War 2 story from Britains best-loved childrens author, Michael Morpurgo. Evacuated from London, David and Tucky feel like the war is a long way away from their new life in the countryside. Then one night the skyline of the moor is lit up with gun flashes, and the distant crump of bombing miles away brings the war back to them and shatters their new-found peace. When a German bomber crashes, the boys feel they should hate the airmen inside. But one of them saves Davids life . . . Friend or Foe is one of the most popular war stories for children today. Former Childrens Laureate and award-winning author of War Horse, Michael Morpurgo, demonstrates why he is considered to be the master story-teller with this fascinating world war 2 story.
