With this bundle, you'll receive: Land For Sale Two Girls and a Dead Case Murder for the Books A Classic Case of Murder The Art of the Kiss and Other Mysteries In Land For Sale, Detective Sergeant Ben Keyes and his boss, Chief Inspector Mark Bullard investigate and solve a case of break-in and murder. There is a break in at real estate agent Zoey Wright's home in the middle of the night. Ben Keyes investigates. The next day, Zoey discovers that her office has also been ransacked. Ben investigates the follow-up crime. Later, the body of a man is found in his garden, shot to death. In Two Girls and a Dead Case, two girls, who are lifelong friends, after exploring what the world has in store for them come back and open a detective agency in their small town where nothing really happens. If it wasn't for a recurring client who only seems to show up when they need the money the most they would be two broke girls with nothing better to do. Just after they have taken another dead end case from this client they receive a mysterious box which leads them to a case that is more interesting but far more dangerous than anything they have ever done. In Murder for the Books, Chief Inspector Mark Bullard and his junior partner, Detective Sergeant Ben Keyes are investigating a murder with no evidence to point them in any direction. Soon after, they begin an investigation on a second murder, this time with more leads and clues. Both men instinctively feel the murders are somehow connected but find only subtle similarities that may or may not mean they are related. When a third murder occurs, the two detectives are finally able to connect the dots and but will they find a killer? In A Classic Case of Murder, Ben and Mark, from the Clements Police Department are

investigating a pretty classic case of murder. Carrie Wellington, a famous writer, was murdered in her own car. What a tragic loss! She was such a nice woman, kind and generous! Who would think she'd end up strangled with a guitar string? In *The Art of the Kiss and Other Mysteries*, Dianna seemed to be an ordinary girl back in junior high. But there was something people didn't know about her. Some sort of a secret she unraveled years later her life was completely changed by two kisses. As simple as it may sound, those kisses determined her life once and forever. Buy all FIVE books today at up to 60% off the cover price!
