

## Perfect Road Book of Britain Photography (Travel with A Camera) (Chinese Edition)

Travel with A Camera series summarizes the photography experiences and travel feelings of the author based on the personal experience and photography to meet the photography demands of photographers in the travel in an all-round manner. The book designs the daily travel routes, detailed travel guide, photography information and practical tips of each scenic spot for readers. In geographical regions, it further divides each region into different cities; every city has a route, including the daily route, what to shoot and practical local information. The book is rich in content and full of information, thus the perfect road book of the author.
