

Prince Hafiz Only Vice (Royal & Ruthless Book 8)

What a royal wants Prince Hafiz devotes his days to his people and his nights to indulging his desires with his stunning American mistress, Lacey Maxwell. But duty requires him to marry a suitable bride. In her deepest secret fantasies, Lacey naively hopes to one day wear Hafiz's ring, until her dreams are shattered and he chooses someone else. Faced with the reality of a passionless union, Hafiz realizes the years spent with Lacey have done nothing to slake his hunger for her. Instead, he has determined to turn his only vice into a virtue for the sake of his country and each other!
