

A Duo of Green Ghosts as Haunted House Hosts (Princess Luanne and Wizard Heatheria: The Super Sleuths Seven)

Roxy Norrington and her pet bloodhound, Artu, have been named co-benefactors in sharing the fortune of the late Colonel Beauregard, who promised to remember them in his will. But there is one catch: the duo along with four other heirs must spend one night in a haunted castle on a remote island named Mystery Island. During their night on this haunted isle, Roxy and Artu along with the rest of their Super Sleuth comrades are suddenly thrown into a world of trouble when it is discovered that they are being targeted by a duo of ghosts called the Phantom Shadows. Before too long, the gang finds themselves having to find and rescue Roxy and the other heirs but will they be too late to stop the Phantom Shadows before they succeed in a mass execution?
