

## Until Fountain Bridge (On Dublin Street)

An exclusive novella featuring Ellie and Adam, much loved characters from On Dublin Street and Down London Road. Ellie Carmichael has been in love with Adam Sutherland for as long as she can remember. What started as a childhood crush on the protective and best friend of her older brother bloomed into full-blown infatuation over the years. Unfortunately, it also meant full-blown heartache, as Adam refused to fall for his mate's little sister. But it takes a crisis for Adam to realize he's wasted too much time denying his feelings for her. Unwilling to waste a second more, he decided to make Ellie his, no matter what the consequences. Now happily settled with the woman he's pined after for years, he's about to find out what their ten-year courtship was like for her, through the journals she kept during their ups and many downs. And though Adam may have Ellie now, he has no idea how close he came to losing her . . .

*Praise for On Dublin Street:* Mysterious, all-consuming and pretty damn good. Closer. An exceptional new talent. Daily Record. Samantha Young is a twenty-seven-year-old Scottish writer who graduated from the University of Edinburgh. She studied ancient and medieval history, which really just means she likes old stuff. She's the author of four series - ten novels and one novella. Her novels On Dublin Street and Down London Road are also published by Penguin.
