

Igniting the Wild Sparks (Volume 3)

Hadley Beckett comes closer to triumphing over a reluctant Finn Wilder. What would you do if the love of your life gave you the keys to the kingdom, but won't let you in? At the end of her rope, Hadley grabs her intrepid boyfriend Finn Wilder's world by the bridge. Finally ready to end the never-ending merry-go-round that is their unknotted life together, she enlists the help of her friends to help boost her own courage. Since Finn is all about walking on the wild side but not down an aisle, Hadley challenges him to the ultimate test that will prove her more daring than the daredevil himself, hoping Finn will take notice and change his mind about making her forever his. Throwing down the irrevocable gauntlet, will Hadley celebrate supreme victory over his heart or will she accept the cruelest defeat at the very hand she holds?
