

## Renovation (Haunted Series Book 11)

Its do-it-yourself season and the DIY projects are in full swing with enthusiastic homeowners tearing down walls, sanding old floors and waking up ghosts. It should be called DYI for do-yourself-in, Mia commented as the calls for PEEPs flood the switchboards and crash their computers. Or did something else crash them? Meanwhile, Angelo searches for the soul of his lost friend. If there is the faintest possibility that Father Santos is still alive, Angelo pledges to find him, even if it means his own demise. Pick up your hammer, or box of salt, and join Mia, Murphy and PEEPs as they navigate the dangerous territory of home renovation. Renovation is the eleventh novel of the Haunted Series, following The Middle House: Return to Cold Creek Hollow.
