

Hebrews for Everyone (New Testament for Everyone)

Writing in an approachable and anecdotal style, Tom Wright helps us to find our way around the letter to the Hebrews, one of the most bracing and challenging writings in the New Testament. He acknowledges that people often find it difficult, because some of the ideas it contains are strange to us. Yet, like meeting a new friend, he helps us to find it full of interest and delight, with a powerful message that comes home to today's and tomorrow's church as much as it did to yesterdays.
