

Revenge of the Bossy Bottom

Logan Carter, an ambitious Power Bottom, has worked for Cabot Investments for four years. During that four years, Logan has been passed over for three promotions by his straight, arrogant boss, Jack Powers. On the eve of finding out if he has been promoted to Vice President of Cabot, Logan discovers that his boss has been embezzling from the company. Armed with this knowledge, Logan demands the job, part of the stolen money and sex with his hot, straight boss. Will Logan get everything that he wants or will his scheme blow up in his face? The novella is approximately 15,000 words. This work contains blackmail, body worship, graphic sex, foot play and raunch and adult m/m situations.
