Title: Review of the Affairs of India, from the year 1798, to the year 1806, etc. Publisher: British Library, Historical Print Editions The British Library is the national library of the United Kingdom. It is one of the worlds largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The HISTORY OF ASIA collection includes books from the British Library digitised by Microsoft. This series includes ethnographic and general histories of distinct peripheral coastal regions that comprise South and East Asia. Other works focus on cultural history, archaeology, and linguistics. These books help readers understand the forces that shaped the ancient civilisations and influenced the modern countries of Asia. ++++The below data was compiled from various identification fields in the bibliographic record of this title.
