

For My Boys

There are few gifts more precious than the advice of a father to his sons. In this heartfelt and humorous book, Jim Kirk passes along the important lessons he has learned through 50 years of life. He offers insights on God, love, success, marriage, giving, priorities, work-life balance, temptation, discipline, and many more important subjects. Each brief, easy-to-read chapter begins with a verse from the Bible pertaining to the topic. Jim Kirks advice to his sons is relevant to anyone who wants to lead a richer, more abundant life close to God and loved ones. For decades, Ive been amazed at Jim Kirk. He is a master at the keyboard. He turns a stage into a fantasy land. He brings the best out of people. He accomplishes the work of a dozen people, yet seems to have all the time in the world to listen. How does he do it? Here is our chance to find out. Jim has done us a favor by distilling his experiences into book form. May it be a source of strength and inspiration. MAX LUCADO
