

Improve Your Practice! Piano: Grade 5 (Faber Edition)

This new series from Paul Harris builds on his previous series *Improve Your Scales* and *Improve Your Sightreading*. *Improve Your Practice Grade 5* begins by encouraging students to plan their practice sessions, starting with warm-ups and then giving tips on how to explore a piece. This book will encourage children to think about different aspects of their music as they play giving them a better musical understanding of their pieces and also encourages independent thought and exploration.
