

2017 Robert Rahway Zakanitch Wall Calendar

Robert Rahway Zakanitch began to paint seriously amid the 1960s culture of artistic intellectualism, when beauty was out of fashion and Modern Art seemed bent on excluding rather than including its audience. After exploring Formalism and Abstract Expressionism, Zakanitch wanted to get back to the principle of humanness in painting, rather than pursue its deconstruction. He wanted to reclaim beauty. For over fifty years Zakanitch has done just that in large-scale works that exude splendor and invite calm reflection. His work is in many private and public collections among them the Philadelphia Museum of Art, Whitney Museum of American Art, and Musees de Strasbourg, France.
