

Rosie Thomas 4-Book Collection: The White Dove, The Potters House, Celebration, White

A collection of four stunning ebooks from the author of the runaway bestseller, *THE KASHMIR SHAWL*. **THE WHITE DOVE:** Born an aristocrat, beautiful Amy Lovell leads a whirlwind life of extravagant parties and balls. But Amy is ill-suited to a life of indulgence, and eagerly embraces a nursing career, where she is drawn into the radical politics of the day. As the spectre of war looms, Amys bittersweet love for the proud miner Nick Penry leads them to the conflict in Spain, where love and pain become inseparable agonies. **THE POTTERS HOUSE:** Olivia Giorgiadis has left her English roots behind to live on a tiny Greek island, married to a local man, mother to two small sons. But when an earthquake devastates the island, a stranger appears in the aftermath: an Englishwoman, destitute but for the clothes she wears. As she melts into the family and the village community, so Olivia begins to sense that her mysterious visitor threatens all she holds dear. **CELEBRATION:** For Bell Farrer, rising wine journalist, it was the break of her career. To interview both reclusive Baron Charles de Gillesmont of Chateau Reynard and business genius Valentine Gordon of Californias Dry Stone Wineries. But suddenly Bells career is the last thing on her mind. Because Charles and Valentine are not just opposites but enemies, locked in lethal rivalry by their only common bond, the women they choose to love. Once, Charless wife; now Bell. How can Bell, loving one, still feel the draw of the other? **WHITE:** One Love. One Chance. Once Sacrifice. For Sam McGrath, a brief encounter with a young woman changes his life. On impulse, he vows to follow her all the way to Nepal. Finch Buchanan, flying out as doctor, reaches the Himalayas only to be reunited with a man she has never been able to forget. Al Hood has made a promise: once he has conquered this last peak, he will leave the mountains behind forever. And

the passionate relationship between Finch, Al and Sam two men driven by their own demons, and a woman with a dream of her own begins to play itself out, with tragic consequences
