

## The Bachelors Bed (Temptation, 771)

Count on Jill Shalvis for a witty, steamy, unputdownable love story. - Robyn Carr, New York Times bestselling author Lani Mills had a secret crush on gorgeous diehard bachelor Colin West, along with half the women in town. But she was just his cleaning lady, so she had to content herself with dusting and dreaming or would she? Colin needed a fictional fiancée to end his mother's matchmaking attempts. Lovely, loyal Lani was his first choice, and, to his relief, she agreed to pretend they were madly in love. But his relief turned to dismay when she kept forgetting the pretend part. A contemporary romance. Originally published in 2002.
