

## Salamambo (French Edition)

Salamambo est le célèbre roman historique de Gustave Flaubert, paru en 1862. Il prend pour sujet la Guerre des Mercenaires, III<sup>e</sup> siècle av. J.-C., qui opposa la ville de Carthage aux Mercenaires barbares qu'elle avait employés pendant la première Guerre punique, et qui se révolteront, furieux de ne pas avoir reçu la solde convenue. Flaubert chercha à respecter l'histoire connue, mais profita du peu d'informations disponibles pour décrire un Orient à l'exotisme sensuel et violent.
