For Tony Martin, being a senior means being a star on the football team, classes to get through, hanging out with his friends and dating Candy Dixon. And once he graduates, he's getting out of Kansas and never looking back. But his best friend Glenn's decision to come out and be openly gay at their small rural high school creates a lot of problems for the two of them. But a beautiful new student arrives at Southern Heights High Sara. When all the kids who've been mean to Glenn start dying in very strange circumstances, and Glenn starts acting strangely, it's up to Tony and Candy to get to the bottom of what's going on in their school before it's too late for them.
