

Scary Cool (Volume 2)

All Zara wants is to finish high school like any ordinary girl. But Zara is no ordinary girl. And when Lance Donovan shows up in her homeroom, she fears her days at Cherry Glen High are numbered -- because Lance is a creature of power, with other plans for her life. Can Zara resist his pull? And, more importantly -- should she? Dark forces are converging on Cherry Glen, and Zara's decision could change her life forever ... or end it.
