

## Secrets of Bayboro Mansion

Jace Burke can't remember anything about his life before his adoption at age nine. Now, at fifteen, while he and his sister attempt to discover who murdered their aunt, the missing years bleed into his mind. Like ghost ships returning to a foggy port, each memory carries terror, fear, and anguish. What he remembers he desperately wants to forget and what he can't remember he desperately needs to know. The chilling answers he seeks are in his late Aunt Betsy's haunted Mansion if he can survive long enough to find them.
