

See John Run

Eight million listeners to BBC Radio 2s Wake Up To Wogan were beguiled and bewitched by the naughty but nice adventures of John and his wife Janet. In the style of childrens stories of yesteryear, John gets up to all sorts. Then he tells Janet all about his day, by which time every perfectly innocent big end, back passage and stiff one acquires a whole new meaning... After selling over a quarter of a million recordings of their adventures, theyre now available in hard covers for the first time.
