Superb writing, phenomenal storytelling, breathtaking detail, sparkling characterization, a moving tale of love and tragedy with plenty of wit and humor thrown in. Bookfoolery The one thing Brunin Fitzwarin knows best is nothing worthwhile is easy especially not becoming a knight. But nothing will be more challenging than the past he's struggling to leave behind. Sent away by his father, Brunin is now a knight-in-training to the Lord of Ludlow and still utterly alone. That is, until the youngest daughter of the house, Hawise, befriends him. With England in turmoil, Brunin must fight with his lord to support King Stephen for the English crown. As the war rages on and hits particularly close to home, Brunin must defeat the shadows of his childhood and take on the mantle of knight, confronting the future head on.
