

## Upholstery Basics (Singer)

Think of the money you can save by recovering your favorite chair instead of replacing it. This book covers all of the basic techniques you'll need to reupholster outdated furniture. From wood footstools to over-stuffed chairs, there's a good variety of projects you can accomplish with the help of this bestselling book. The fantastic how-to photos and easy-to-understand text make this a must-have for anyone interested in learning upholstery.
